

Haile Plantation West Butterfly Garden Walk

**Date: Sunday September 17 from 10am-2pm
@ Haile Plantation West Butterfly Garden**

Bring family and friends and experience this wonderfully biodiverse, pollinator garden that is collaboratively supported by Hawkstone Country Club, Haile Plantation West HOA and community volunteers.

Garden volunteers will be on hand to showcase the garden, plants, and butterflies. Master Gardener Volunteers will answer any gardening questions. The golf course "blue bird houses project" will be highlighted.

The HPW Butterfly Garden is located on SW 104th Terrace between Middleton Green and Chickasaw Way neighborhoods, next to #7 green on the golf course. Direct access is along the walking/biking trail. There is no parking along SW 104 Terrace so if coming by car park along one of the adjacent side streets and follow the walking trail to the garden. Google "Haile Community Butterfly Garden" for map.
