

Fall Horticultural Expo - Vendor Application

Saturday, October 18th 2025 9AM – 4PM

Alachua County Agriculture and Equestrian Center, Newberry, Florida
Presented by Gainesville Garden Club & Master Gardener Volunteers

This is a horticultural event featuring large and small plant vendors selling an array of plants. Our event also hosts area non-profits, UF/IFAS educational exhibits related to the event topics and a limited number of food trucks. We expect there will be an extensive range of nature, wildlife, garden décor and other gardening related products. All products being exhibited must be high-quality garden, nature, or wildlife related items. Based on last year's attendance we expect 750 visitors during the day. The event is free and open to the public.

Last year was the inaugural year and we look forward to a larger event this coming Fall. We invite you to help us establish this as a premier public event in celebration of our Fall gardening opportunities.

- The Center is a large covered, agricultural arena with a dirt floor.
- There is no water or electricity available to vendors and/or exhibitors.
- We encourage vendors to use pop-up tents, banners and signs to draw attention to their booths and information.
- Vendors and exhibitors must provide their own tables and chairs if needed.
- Ample parking is available on grass.
- Please complete the attached form, sign and email to our Event Vendors Coordinator:
